An aerial photograph of a vast, green landscape, likely a rural or agricultural area. The foreground is dominated by a grid of dark, winding lines representing roads or field boundaries, creating a pattern of irregular green patches. In the distance, rolling hills and mountains are visible under a dramatic sky filled with large, dark, textured clouds. Sunlight breaks through the clouds, creating a bright, hazy glow and a vertical beam of light on the right side of the frame. The overall mood is serene and majestic.

LIGHT IN NATURE

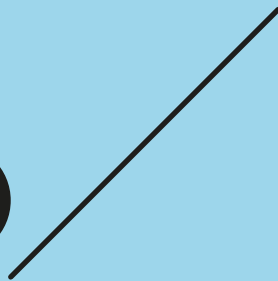

The streets are the arteries of every city and the street lights are its guardians. This is how life goes at night.

SUNSET TIME

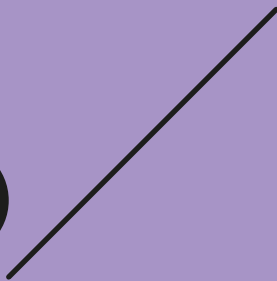

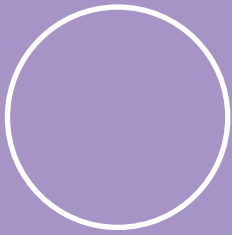

Industrial spaces such as the aisles and open spaces of warehouses, storage facilities, logistics/distribution centres require adequate illumination. In many of these spaces, there is dirty, hot and humid environments. Therefore, High bay lights can provide sufficient illuminance and uniformity in these spaces and Increase productivity.

A photograph of a multi-story building with a courtyard. The building has a warm, orange-brown facade and numerous windows, some of which are skylights. The sky is a clear, bright blue. The word "DAYLIGHT" is overlaid in white, bold, sans-serif font in the center of the image.

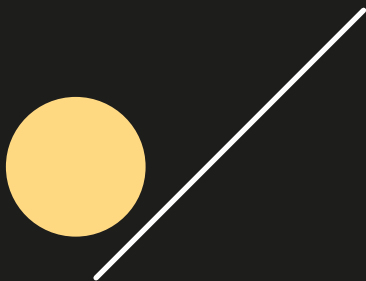

DAYLIGHT

"Darkness cannot drive out darkness; only light can do that. Hate cannot drive out hate; only love can do that."

– Martin Luther King, Jr.
